## Alternative Funding Solutions

In the new financial world beyond the 'credit crunch' the vast majority of Business and Personal clients are faced with significantly fewer funding options and often a point blank refusal from their existing bankers. We understand the 'New Financial World' better than most as we manage senior level relationships with over 250 alternative lenders' and offer a true whole of market proposition.

These funding partners rely on us to introduce new and well qualified business opportunities for underwriting approval. These include Merchant Banks, Private Funding Groups, Investment Trusts and high net worth Personal Investors - all keen to lend to the right proposition. If you are keen to learn how we might be of service to you and your business then please get in touch.
